25X1 that Mr. Finn, White House staff, had called Mr. Helms concerning
25X1 [] an applicant for an Agency position who had been referred
25X1 by Representative Hale Boggs. Mr. Little briefed Mr. Helms on the status
25X1 of [] application and indicated an answer was expected within the
25X1 next two weeks.

25X1 Senator Stuart Symington, in connection with correspondence from []
25X1 [] which had been forwarded to us by the Senator's office.
25X1 I advised Miss Kincaid that [] had been in touch with our []
25X1 field office and that as a result of that contact our people met with []
25X1 [] who had been the subject of [] letters. I asked Miss Kincaid
25X1 if she would like a note on this and she said it would not be necessary, that
25X1 she would give the Senator a note herself. She did mention in passing that
25X1 [] had called and spoken with the Senator several days ago. However,
25X1 she is not aware of the substance of the conversation.

25X1 4. [] I called John Leahy, Congressional Relations
25X1 Office of State Department, and advised him of my conversation with Mrs.
25X1 Birch, secretary to Mr. Fred Dutton in State Department, concerning State's
25X1 letter to Senator Dirksen regarding the []
25X1 Leahy said he was going to drop by Dirksen's office and talk with
25X1 Mr. Gensler to determine if the Senator's office had all the information it
25X1 desired on this subject. Mr. Leahy will inform Mrs. Birch of our conversa-
25X1 tion. I advised Leahy that I understood that the Senator had written a second
25X1 letter to the Department forwarding a copy of a form letter from []
25X1 and that State was preparing a similar response to this letter.
